- Data Analysis
- Project Management
- HTML/CSS
- JavaScript

INTERESTS

- Economics
- Education
- Accounting
- Art

LANGUAGES

- English (Native)
- Nyanja (Native)
- French (Basic)

EXPERIENCE

Sept 2018 - Dec 2018   **ALX**
Kenya   *Intern*

- Conceptualized a program designed to expose over 600 young Kenyan leaders yearly to employment and entrepreneurial growth opportunities. This program is currently being implemented by the organization
- Designed and strategized a monthly networking event that connects 300 young Kenyan leaders with 100 business professionals within the program.
- Formulated an automated report generating application using JavaScript which was used to generate over 120 personalized reports based on data from a Google Sheet. This automated application reduced the time and cost needed to produce these reports.

Sept 2017 - Dec 2017   **African Leadership University**
Rwanda   *Student Life Intern*

- Conducted primary research on orientation experience with over 170 participants and analysed research data to design a strategy on how the organisation can improve orientation experience for all students.
- Formulated an automated data analysis solution using JavaScript which used a dashboard to analyse data from over 280 students in Google Sheets. This solution is currently being used by the organisation in monitoring the Student Life department.
- Designed a Student Life department strategy using a customer journey map which prioritized different goals for the whole department for the next 4 years. This strategy will be used in measuring the success of the department.

July 2017 - Aug 2017   **INSEAD/ESSA**
Mauritius   *Research Intern*

- Conducted research on over 300 universities in Africa to provide statistical data on higher education in Africa. Research findings were analyzed through Excel.
- Formulated a research analysis solution using Google Maps. Solution was used in analyzing research data for over 1200 universities in Africa by providing geographic locations of all universities.

EXTRA-CURRICULAR ACTIVITIES

- ALC Mauritius Student Government Inaugural Election Commission — Secretary (February 2018 - Present)
- African Leadership University, Mauritius — Catering Committee (June 2018 - August 2018)

AWARDS & ACHIEVEMENTS

- Certificate of Appreciation (2015) - Organised by UNICEF, Child Friendly Schools, and VSC for generosity displayed through donation to deserving learners.
