

CALL-TO-ACTION: HEALTH - CORONAVIRUS

PROBLEM

As our country pushes to prevent the infection & spread of the Coronavirus – the less privileged in our community are the most exposed...

SOLUTION

Procure & Distribute Sanitization Packs to the vulnerable

HOW YOU CAN MAKE A DIFFERENCE

Join us and let us together make a direct and immediate impact by contributing to a current initiative to procure and distribute the sanitization packs to the less privileged.

See details on the next page.

CALL-TO-ACTION: HEALTH - CORONAVIRUS

Initiative Context

Lionshare Private Equity (www.lionshareprivateequity.com) would like to champion an ESG pillar on behalf of our investment community to contribute towards reducing the impact of Coronavirus on the disadvantaged in our society.

Contributions and execution will be done through the **One Moment Foundation** which Lionshare's founder created as an enabler for similar social impact initiatives.

See www.onemomentfoundation.org

The Goal

Target to raise R1,000,000 to assist the most vulnerable and prevent the spreading of the Coronavirus.

How Can You Contribute

1. Contribute to the One Moment Foundation:

Account Name: One Moment Foundation NPC
Bank Account: FNB 62800652134
Reference: Fund Manager name / Organization name / Individual name

Send proof of deposit to silvana@lionshare.co.za or 082 393 3089

2. Contributions will purchase: 25,000 sanitization packs at a cost of R30-R50 per pack
3. One Moment Foundation in collaboration with its social partners like Africa Tikkun will include the sanitization packs in the Food Packs being donated to desperate households impacted by COVID-19.

Governance

1. Grovest Corporate Advisory will conduct the accounting and reconciliation of the contributions, expenditures, and distribution of the sanitization packs as a member and independent partner in this initiative.
2. All contributors will get a "thank you letter" with an option of a Section 18A certificates which can be issued where required for tax exemption purposes.
