5. **The request procedure**

5.1 Form of request

5.1.1 A request for access to records held by SAVCA in terms of section 53 of PAIA must be made on a form that corresponds substantially with Form 2 of Annexure A to the Regulations Relating to the Promotion of Access to Information, 2021. A copy of the form is attached as Schedule A to the Manual. The request must be made to the information officer / deputy information officer of SAVCA at the address, telefax number or e-mail address specified in paragraph 2 above.

5.1.2 The requester must provide sufficient detail on the prescribed form to enable the information officer / deputy information officer of SAVCA to identify the record and the identity of the requester. The requester must submit details of the capacity in which the requester is making the request and indicate whether the request is made in their own name or on behalf of another person. Proof of identity of the requester must be attached to the request if it is in their own name. If a request is made on behalf of another person or entity, the requester must attach proof of authorisation to make the request.

- 5.1.3 The requester is also required to indicate what type of record s/he/it is requesting and what form of access to the relevant records is required. Additionally, the requester must provide her/his/its contact details and indicate what manner of access is requested.
- 5.1.4 The requester must provide particulars of the right to be exercised or protected and explain why the record requested is required for the exercise and protection of the aforementioned right.
- 5.1.5 For the purposes of Form 2, the requester must comply with all the procedural requirements in PAIA relating to a request for access to the relevant records.
- 5.1.6 SAVCA may, and must in certain instances, refuse access to records on any of the grounds set out in Chapter 4 of Part 3 of PAIA. These grounds include: that access would result in the unreasonable disclosure of personal information about a third party, that it is necessary to protect the commercial information of a third party or SAVCA itself, that it is necessary to protect the confidential information of a third party, that it is necessary to protect the safety of individuals or property, that a record constitutes privileged information for legal proceedings, or that it is necessary to protect the research information of a third party or SAVCA itself.
- 5.1.7 If all reasonable steps have been taken to find a record that a requester has requested, and there are reasonable grounds for believing that the record is in SAVCA's possession but cannot be found, or it does not exist, then the information officer or deputy information officer will, by way of an affidavit or affirmation, notify the requester that it is not possible to give access to that record.
- 5.1.8 The information officer/deputy information officer must, if a request for access to a record is granted or refused, inform a requester of her/his decision and the fees payable. This must be done on a form that corresponds substantially with Form 3 of Annexure A to the Regulations. A request for a copy of the Guide may not be refused. If the requester wishes to be informed of SAVCA's decision in another manner as well, this must be set out in the request and the relevant details included in order to allow SAVCA to inform the requester in the preferred manner.
- 5.1.9 SAVCA will make a decision in relation to a request for records within 30 days of receiving it, unless a third party notification and intervention, as contemplated in Chapter 5 of PAIA, applies. This period may be extended in appropriate circumstances, in accordance with section 57 of PAIA.
